

SACRED HEART UNIFORM PRESENTATION POLICY

Sacred Heart Catholic Primary School is a Catholic school in the Marist tradition. We are proud of our school and would like all students in our community to present themselves in a way that reflects the values and standards of the school.

All students who attend SHM Catholic Primary School must wear the approved school uniform. The wearing of our school uniform is a consequence of the acceptance of enrolment at SHM Catholic Primary School. Our school's uniform policy has been created under the Workplace Health and Safety Guidelines and the Anti-Discrimination Act.

Compulsory enforcement of our uniform policy enables consistency in dress standards throughout the school and is a way of identifying students who are part of the SHM community. If for any reason your child is unable to wear a particular item of our school uniform, they should provide a note from their parent/guardian advising the school of the situation and take appropriate steps to correct the uniform as soon as possible.

This Uniform Policy also addresses accessories which are acceptable. Again, approval of such accessories takes into account the safety, both physical and environmental, of each child. Any accessory deemed inappropriate by the SHM Leadership Team will require immediate removal or alteration.

Should such instances occur the final decision will rest with the School Principal.
