

**The Challenge is open to ALL students from Yr. 3 to Yr. 6.**

This Term your children have the opportunity of experiencing the Dancefever program. The children are thoroughly enjoying the program and are learning wonderful new dance skills as well as social skills. Dancefever will host an Interschool Dance event which will involve other schools that have also participated in the program this term. This will be a very exciting event for the children as they have the opportunity of representing their school and perhaps win trophies and prizes.

Parents and families are encouraged to attend this event to support their children and our school. This is also the perfect opportunity for parents to witness the skills their children have acquired. We are sure you will be impressed.
